Dear Parent/ Guardian

SCHEDULE OF WEIGHTED ASSESSMENT 2 (WA 2) FOR SECONDARY FOUR AND SECONDARY FIVE IN TERM 2

To nurture our students to be lifelong learners and building on the efforts to move away from an over-emphasis on academic results, MOE has adjusted school-based assessment (SBA) structures so that our students can experience more joy and develop stronger intrinsic motivation in learning.

In accordance with MOE guidelines, the school has allocated the percentage of each term's weighted assessment as shown in the table below. These weighted assessments (WA) count towards the final grade for each subject.

	TERM 1	TERM 2	TERM 3
Assessment	WA 1	WA 2	Preliminary Examination
Secondary 4 & 5	15%	15%	70%

Preliminary examinations are conducted in Term 3 except for the Mother Tongue Language 'O' Level Preliminary Examination that will be conducted in Term 2. Details of the examination will be shared separately

Please note that

- the format of the weighted assessment differs for each subject (please refer to the details overleaf),
- **access arrangements will be accorded to students only during the Preliminary Examination and National Examination.**

The detailed schedules and formats of the weighted assessments for each subject will be communicated by the respective subject teachers via the **Student Learning Space (SLS)**.

Students who are certified medically unfit to take the Weighted Assessments will be recorded as "absent with valid reason". They must submit the **original copy** of the Medical Certificate from authorised medical practitioners to their respective Form Teacher when they return to school after their medical leave. No make-up assessments will be conducted for students who are absent on the day of the weighted assessment.

If you have further questions or concerns, please contact us at 6572 9100 or email aes@moe.edu.sg.

Thank you.

Yours sincerely

Mr Vincent Toh
Principal
